

Creating a Road Safety comic

1. Students are to create a road safety message (something that they learnt from the RAC presentation) and develop a comic strip.
Note: students only have four squares to create their road safety comic.
2. Before logging onto the computer, students are to draw a rough draft of their road safety message.
3. Click on the link below:
<http://www.makebeliefscomix.com/Comix/#>
4. Demonstrate the functions of the website (a basic layout has been labelled on the next page).
5. Print out comic strip and students can colour in their creation.

SELECT THE number of squares required for comic strip

TODAY I'M GOING TO TEACH YOU ABOUT ROAD SAFETY. YOU CAN NEVER BE TOO YOUNG TO LEARN! NOW HOLD MY HAND!

RULE NUMBER 1: WE HAVE TO STOP AT THE SIDE OF THE ROAD.

THE NEXT TWO RULES ARE LOOK AND LISTEN FOR CARS. LET'S DO THESE ACTIONS 3 TIMES.

RULE NUMBER 4 IS TO THINK ABOUT CROSSING THE ROAD SAFELY. AFTER ALL THE RULES COMPLETE IT'S SAFE TO CROSS THE ROAD!
