Time	Content
5mins	<p><b>Introduction:</b></p> <ol style="list-style-type: none"> <li>1. <i>Today I am going to assign you a group task. We are going to plan a Road Safety Expo for the Year 2 students. This means you have to become road safety experts and focus on delivering a safety message around roads.</i></li> <li>2. <i>I am going to put you into groups of 3 and in those groups you are going to come up with a fun, interactive class activity that you could present to the Year 2 students. The activity needs to be 10 minutes long and keep the young students engaged while delivering the road safety message.</i></li> <li>3. <i>Small groups of year two students will be attending the different activities you create (optional).</i></li> <li>4. <i>But first we need to brainstorm about some key messages around road safety.</i></li> </ol>
10mins	<p><b>Activity 1: Road Safety</b></p> <p>Students are to analyse the RAC Little Legends Club Year 1 -2 game, identifying road safety messages and the different learning abilities of Year 2 students.</p> <p>Safety messages and learning diversity from the game could include:</p> <ul style="list-style-type: none"> <li>- Stop, Look, Listen and Think</li> <li>- Always cross the road with an adult</li> <li>- Only cross in a safe place e.g. traffic lights or pedestrian crossing</li> <li>- Always wear a helmet and bright, high visibility vest while riding a bike</li> <li>- Bright colours</li> <li>- Cartoon style characters</li> <li>- Interactive game features e.g. students could know the characters and touch different things throughout the game</li> <li>- Activity is simple, so students can understand the safety messages</li> </ul>

<p>13mins</p>	<p><b>Activity 2: Brainstorming Activity</b></p> <ol style="list-style-type: none"> <li>1. Create some brainstorming funnels on the board, have students copy the ideas done into their workbooks.</li> </ol> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p><b>Road Safety messages</b></p> </div> <div style="text-align: center;">  <p><b>Interactive activities</b></p> </div> </div> <ol style="list-style-type: none"> <li>2. In the first funnel students are to come up with road safety messages that would be appropriate to teach Year 2 students.</li> <li>3. In the next funnel students need to write down all the activities they consider fun and interactive e.g. jigsaw puzzles, board games, songs and dance, videos, scientific experiments etc.</li> <li>4. Organise students into their groups.</li> </ol>
<p>30mins</p>	<p><b>Activity 3: Activity Proposal</b></p> <p>Students are to create a proposal for their road safety activity, using the expo proposal template (the teacher copy is a detailed explanation of each of the different sections). Alternatively they can create their own proposal however, it should include:</p> <ol style="list-style-type: none"> <li>1. What is your road safety message?</li> <li>2. A basic outline of the activity your group is going to perform to the Year 2 students?</li> <li>3. Jobs list.</li> <li>4. How does this activity reflect your road safety message?</li> <li>5. Create a list of materials required for the activity.</li> </ol>
<p>2mins</p>	<p><b>Conclusion:</b></p> <p><i>I am very impressed with the group work that was happening in our classroom today. I cannot wait to see the final expo activities. Be sure to bring all ideas/material required on our expo day and practice your part at home.</i></p>
