

## Nearly 10,000 members shared their views in the RAC Opinion survey in January

### Household conversations

What are members talking about at home?

### Topical issues

What do members think about these issues?

37%

Cost of living

19% Holidays / Travel

16% US election

10% Politics

10% Family

9% Weather

8% Natural disasters

7% Health

7% Fires

6% Middle East conflict

"The Californian wild fires, why were they so devastating? What are the implications for Australia?"

"Climate change and fire readiness in our suburban homes."

More discussion this month about:

### Natural disasters and fires

Many members have been concerned about the Los Angeles fires, as well as flooding on the east coast of Australia and overseas.

### Travel plans

85% of members are planning to travel this year.

3 in every 5 members are planning travel within WA, with the south-west being the most popular destination.

2 in every 5 members are planning to travel overseas, with Asian destinations such as Indonesia, Japan and Singapore commonly mentioned.

### Car wash

1 in every 2 members wash their car monthly or more often.

While many wash their car at home, **47% drive to a car wash facility.**

Members who use a car wash facility said that the main benefits are:

- » Convenience
- » Less effort than washing the car at home
- » Better quality finish

However some members have experienced frustrations with their local car wash facility, such as lengthy queues and excessive costs.
