

Bicycle, Scooter & Skateboard Safety

Lower Primary

Activity 4: Build a wheeled model with recycling

Design and create your own bicycle, scooter or skateboard using recycled materials.

Material ideas

- » Paper
- » Patty pans
- » Paper plates
- » Popsticks
- » Straws
- » Pipe cleaners
- » Paint
- » Glue

What other materials can you think to use?

.....

.....

.....

.....

Draw a plan for your model and label the different parts and materials you will use.

 A large, empty rectangular box with a dotted border, intended for students to draw their model and label its parts and materials.

"It's a good idea to think about the safety features of your bicycle, scooter or skateboard"

For the better
