

Passenger Safety

Lower Primary

Activity 2: Passenger safety check

Read the sentences below and circle if the action is 'Safe' or 'Not Safe'.

1. Chip takes his seatbelt off while the car is still moving

Safe

Not Safe

2. Mel and Jack are yelling very loudly in the backseat

Safe

Not Safe

3. Ash waits until the car has turned off before taking off her seatbelt

Safe

Not Safe

4. Chip hangs out the window of the car to say hello when he sees someone that he knows

Safe

Not Safe

5. Mel always uses the 'safety door' when getting out of the car

Safe

Not Safe

A 'safety door' is the door that is parked closest to the curb. Draw a car parked next to a curb and label where the safety door would be.

 A large empty rectangular box for drawing a car parked next to a curb.

Draw a picture of yourself using the safety door of your own car.

 A large empty rectangular box for drawing a person using the safety door of their own car.

For the better
