

# Being Road Safe

## Upper Primary

### Activity 1: Match the right road sign

Look at the road signs and match them to their meanings.

This is a winding road

This road is slippery when wet

This road ends in a T junction. The driver will need to turn left or right.

You cannot turn right here

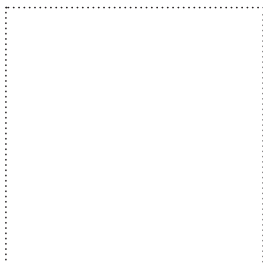

You must use the right lane; the left lane is blocked.

There may be wildlife on or near the road.

There is a round-a-bout ahead

There are traffic lights ahead

Pedestrians may be crossing ahead

If you could come up with your own road sign to help people behave safely on the roads, what would it be?
