

Being Road Safe

Upper Primary

Activity 2: Protecting your equipment

Why is it a great idea to ride a bicycle or scooter to school, the shops or a friend's house?

How can you protect your equipment so it is ready to use for next time? In the boxes below, draw pictures of safe places you can lock up your bicycle, scooter or skateboard. Add labels to describe where and how you will protect the equipment.

At school

At the shops

At the park

At a friend's house
