

Fatal factors on the road

Fatigue

KWL chart

Before reading the fact sheet, think about what you KNOW and what you would like to know about fatigue relating to road safety. Write your ideas in the space below. After reading the fact sheet, write what you've learnt from the document.

What I know (K)	What I want to know (W)	What I've learnt (L)

Extension

If you have internet access, explore the links listed under 'Useful links' on the fact sheet. Add more key facts from you've learnt in the 3rd column.
