

# Healthier air education program

## Lungs wall chart

Use the lungs to list out any new or key words that students are learning throughout the program.

For the better

## Word Bank

Here are some key vocabulary words used throughout our resources to include in the lungs wall chart. Feel free to add more in as you go.

breathe	breath
air pollution	walk
pollute	oxygen
air	clean
lungs	animals

## **Breathe in and out**

*Hands on your chest  
Take a deep breath  
Can you do your best?*

*The air goes in  
Can feel it come in  
Can't see it go in*

*Breathe in, breathe out  
Air goes in and air goes out*

*I can use my nose  
I can use my mouth  
To take it all in*

*I can use my mouth  
I can use my nose  
To breathe it all out*

*Breathe in, breathe out  
Air goes in and air goes out*
