

About this Financial Services Guide

This Financial Services Guide ('FSG') is a very important document that we are required to give you. It provides you with information about RAC Distribution Pty Ltd ('RACD', 'we' or 'us') to assist you in deciding whether to use the financial services we provide. This FSG outlines the type of services and products we can offer you. It also explains how we are remunerated and includes details of our complaints handling procedures and how you can access them.

If we offer to arrange an insurance product for you, we will provide you with a Product Disclosure Statement ('PDS') relevant to your insurance policy. The PDS is an important legal document and contains information about the product you will need to make an informed decision whether to purchase the policy.

Any advice about the products we give you is of a general nature. We do not take into account your needs, specific objectives or financial position. We will provide you with a PDS so that you can decide if this policy is suitable for you.
