It contains important information about who we act for, the services we offer, the fees we charge, the remuneration paid to our employees and other relevant persons in relation to the services offered, potential conflicts of interest and how complaints are dealt with.

All references in this FSG to 'we', 'us' or 'our' are references to Famous Insurance Agency Pty Ltd (ABN 66 168 467 561) (AFSL 455 905) ('Famous') and RAC Insurance Pty Limited (ABN 59 094 685 882) (AFSL 231 222) ('RAC Insurance').

Any financial services provided by us in accordance with this FSG will only relate to the Classic Car insurance issued by RACQ Insurance.

## Other documents you may receive

You may also receive one or more Product Disclosure Statements (PDSs) if you acquire a policy or request us to arrange for a policy to be issued to you. The PDS contains information about the significant benefits and features of the insurance policy and of the rights, terms and conditions attaching to the policy. It is aimed at assisting you to compare insurance products so that you can make an informed choice about whether or not to acquire the product.

## General advice warning

In some cases, we may make a recommendation or give an opinion about a general insurance product. We will do this without reference to your individual objectives, financial situation or needs. This is a general advice service only. When providing general advice, we do not act on your behalf.

Before acting on any information or general advice we give you, you need to consider the appropriateness of that information or general advice having regard to your individual objectives, financial situation and needs.

If you are seeking financial advice that takes into account your personal financial situation, you should contact a licensed financial adviser. Any adviser providing you with personal financial product advice should provide you with a Statement of Advice (SOA) where required by law. The SOA will usually include (among other things) the following information:

- » the nature of the advice given and the basis of the recommendations;
- » fees and commissions that may be received for the advice; and
- » any associations, relationships or interests that may influence the advice provided.
