Product Disclosure Statement

About this Product Disclosure Statement

This RAC Caravan/Trailer Insurance PDS, together with:

- » the schedule we provide to you,
- » our Premium, Excess and Discount Guide (PED Guide), and
- » any document which we tell you forms part of the terms and conditions of your insurance such as a Supplementary PDS,

will form the contract between you and us (the policy).

These documents explain the cover and benefits provided by the caravan insurance and the limits, important information and exclusions that apply to it in order to help you decide if this insurance is right for you.

You should read these documents carefully so you fully understand the cover we provide and the limits, important information and exclusions that apply to it.

Please also read the 'Definitions' on page 27 so you understand the words in this document that have special meanings.

When we agree to insure you

When you take out a policy with us, we ask you questions. You must answer our questions honestly, completely and accurately. Remember that you are answering for you and anyone else who will be insured under your policy.

When you renew or change your policy, you must tell us if your previous answers (as shown in your schedule) need correcting or updating and answer any questions we may ask about your caravan/trailer and how it is used, you, or anyone else who will be insured under your policy. If any changes need to be made and we agree with them, we will send you an updated schedule. We will also advise if they affect your premium.

If you or someone acting for you gives us false information, we may:

- » Refuse to pay a claim.
- » Reduce the amount we pay you for your claim.
- » Cancel your policy.
- » Withdraw cover.

This requirement continues until the commencement of your policy. For anything that changes after this, please see the section below.

Changes to the details you have given us

You must tell us about any changes to the information you have given us about you, your caravan/trailer, the purpose you use it for and anyone who tows or uses it as shown in your schedule. If you have modified your caravan or your trailer after we have insured it, you must tell us what modifications you have made.

If you do not tell us about any changes, your insurance may no longer be valid and we may refuse to pay part or all of any claim you make or require you to repay any money paid to you for your claim.

If you are not sure, but think that something might be relevant, it is better to tell us.

If any changes need to be made and we agree with them, we will send you an updated schedule. We will also advise if a different premium applies.

Our agreement with you

The cover your policy provides will be available to you for the period of insurance in return for your premium.

This contract is between you and us. When more than one person is named as the policyholder in your schedule, we will treat them all as joint policyholders and:

- » A statement, act, omission or claim by any one policyholder is treated as a statement, act, omission or claim by all joint policyholders.
- » We can deal with or make payment to one joint policyholder with no need to also pay or deal with the other policyholders.
- » Each policyholder has authority to change or cancel the policy, and we do not need to contact the other policyholders.

Make a claim - quick guide

1. Call us on **13 17 03** or go online to make a claim at **rac.com.au**
2. Make sure you have all of the information that we will need to help you. We need to know:
 - » What happened.
 - » Where and when it happened.
 - » Who was involved, including their vehicle registration number and contact details.

3. We will guide you through what happens next.

Your RAC Caravan / Trailer Insurance

If you purchase caravan/trailer insurance, you are covered anywhere in Australia for:

Loss or damage to your caravan or your trailer

- » Accidental loss and damage including malicious damage caused to your caravan or your trailer.
- » Loss or damage to your caravan or your trailer caused by fire, theft or attempted theft.

We also cover:

- » Accidental loss or damage to your caravan or your trailer caused when it was being towed by anyone with your permission and who meets and complies with the terms and conditions of your policy, unless that person has other insurance covering the same loss or damage.

Your legal liability

We will cover your liability for bodily injury to another person and accidental damage caused to another person's property arising from an incident which involves your caravan/trailer.

We also cover:

- » Anyone towing your caravan/trailer with your permission and who meets and complies with the terms and conditions of your policy, unless that person has other insurance covering the same liability.
- » Any legal costs incurred in connection with any such alleged liability if we have given our written consent to those costs.

The most we will pay is \$20,000,000 for any incident.

We do not cover:

- » Your liability if the property damaged is your own or is in your custody or belongs to or is in the custody of your spouse, child or other person normally living with you.
- » Damage to another person's property when your caravan/trailer is being transported rather than being towed, including while your caravan/trailer is being loaded or unloaded from the means of transport.
- » Loss or damage to any substitute caravan/trailer.

- » Liability when your caravan/trailer is being offered for sale on your behalf by another party.
- » Death or bodily injury resulting from an incident if at the time of, or immediately before the incident, your caravan/trailer was attached to a registered motor vehicle.
- » Death, bodily injury or property damage arising from any incident if at the time of, or immediately before the incident, your caravan/trailer was being towed or manoeuvred by an unregistered motor vehicle on a public road.
- » Death or bodily injury to:
 - > Any person that arises out of or in the course of the person's employment.
 - > Your spouse, child or other person normally living with you.
- » Death, bodily injury or property damage arising from any incident caused directly or indirectly by or in connection with any motor vehicle by which your caravan/trailer is being towed, manoeuvred or is attached.

Your additional benefits

We provide you with these additional benefits at no extra cost.

Your new caravan or trailer replacement cover

If we declare your caravan or your trailer a total loss and:

- » less than two years have passed since it was first registered, and
- » your caravan or your trailer is not used for business purposes, and
- » you are the first registered owner (other than the selling dealer if your caravan or your trailer was a new demonstration model),

we will replace it with a new caravan or trailer and pay the initial on road and registration costs, provided anyone who has a financial interest in your caravan or your trailer (of which we are aware) agrees. We will not pay more than the agreed value for your caravan or your trailer at the time it was first insured with us.

The new caravan or trailer will be of the same make and model as your caravan or your trailer.

If the new replacement caravan or trailer is not available in Western Australia, or your caravan or your trailer was not supplied as new in Australia, we may pay the agreed value of your caravan or your trailer at the time it was first insured with us.

For additional information on how we settle total loss claims, please see page 19.

Essential temporary repairs for your caravan or your trailer

When the damage is such that your caravan or your trailer cannot be safely towed and you arrange for temporary repairs to make it safe, secure or roadworthy, we will pay for those repairs up to \$750.

Towing your caravan or your trailer

When the damage is such that you cannot use your caravan or your trailer, we will pay for the reasonable cost of towing your caravan or your trailer, from the scene of the incident to the nearest approved repairer or to a safe location that we choose.

Replacing your lost or stolen keys

We will pay up to \$2,000 to replace the keys and locks to your caravan or your trailer when you have been permanently deprived of your keys because they have been lost or stolen.

Your no claim bonus

Your no claim bonus is a discount that increases each year you do not make an 'at fault' claim on your policy until it reaches a set maximum.

Your no claim bonus discount is not affected if you make a claim and:

- » we agree that you or the person towing your caravan or your trailer were not wholly or partly responsible for the incident, and
- » you can provide us with the 'at fault' driver's name, vehicle registration number and contact details.

When you make an 'at fault' claim during the period of insurance, the discount decreases.

Temporary cover for your new caravan or trailer

When you replace your caravan or your trailer, we will insure your new caravan or trailer provided:

- » You tell us about your new caravan or trailer within 14 days of purchasing it.
- » It is a caravan or trailer we would ordinarily insure.
- » You pay us any additional premium we require.

Cover will cease for your caravan or your trailer when you take delivery of your new caravan or trailer.

The most we will pay for loss or damage that occurs within the first 14 days following the purchase of your new caravan or trailer, is the purchase price of your new caravan or trailer less any excesses that may apply.

Removal of debris

We will pay up to \$1,000 towards the costs of removal or disposal of debris resulting from either:

- » Goods falling from your caravan or your trailer.
- » The spillage, escape or explosion of goods being carried in or on your caravan or your trailer.

Loss or damage to your annexe

We will cover you against loss of or damage to your annexe while it is in or attached to your caravan or your trailer if caused by:

- » Fire, lightning, explosion.
- » Theft or attempted theft.
- » Storm or flood.
- » Overturning or accidental collision of your caravan, your trailer and/or the motor vehicle to which it may be attached.

Loss or damage to your caravan contents

We will pay up to \$1,000 in total per incident when your caravan contents in your caravan or your annexe (while it is in or attached to your caravan) are lost or damaged by:

- » Fire, lightning, explosion.
- » Overturning or accidental collision of your caravan and/or the motor vehicle to which it may be attached.
- » Storm or flood.
- » Theft or attempted theft or malicious damage following violent and forced entry.

You can increase the cover limit (see page 12). Your limit will be shown on your schedule.

Transporting your caravan contents

If we declare your caravan a total loss and:

- » your caravan was more than 100kms from your home when it became a total loss, and
- » you have satisfied us that you are unable to transport the caravan contents home yourself,

we will pay up to \$500 to transport your caravan contents back to your home.

Repair or replacement of your electrical motor

We will pay up to \$300 for damage caused by an electric current to a refrigerator or freezer motor which forms part of your caravan/trailer.

We do not cover appliances that are more than 15 years old.

Cover for your spoiled food

We will pay up to \$300 for food, which has been spoiled as a result of electric current or gas failure or damage to the refrigerator/freezer located in your caravan/trailer.

Your optional benefit

For an additional premium you can add this optional benefit to your standard caravan/trailer cover. If you have added this benefit, it will be shown on your schedule.

Increased cover for your caravan contents

You can increase our standard \$1,000 cover limit for your caravan contents. See page 11 for details of our caravan contents cover.

The following limits apply:

- » \$3,000 in total for jewellery.
- » \$3,000 in total for audio/visual equipment and computers.

General exclusions

The following exclusions apply to all cover under your policy.

Who uses your caravan/trailer

We will not cover any loss, damage or liability caused by or arising out of the use of your caravan/trailer by any person who:

- » Was not authorised or licensed to drive a motor vehicle or tow your caravan or your trailer or who broke the conditions of their driver's licence or learner's permit.
- » Has had in the three years before the incident any driver's licence cancelled, suspended, disqualified or any special conditions imposed on their licence.
- » Has received medical advice that their ability to drive a motor vehicle or tow a caravan or trailer is impaired by a medical condition or treatment.
- » Refuses or fails to submit a specimen for testing when requested by police.
- » Has been convicted in the three years before the incident of a criminal offence related to theft, fraud, arson, criminal damage or illicit drugs.
- » In the three years before the incident, has had caravan or trailer insurance declined, withdrawn, cancelled or its renewal refused.
- » Is under the influence of alcohol or drugs; or has a blood alcohol content level exceeding that permitted by the laws of the relevant State or Territory, and this may have caused or contributed to the loss or damage.

If you were not the driver, we may still cover loss or damage to your caravan/trailer if you can satisfy us that you had no reason to suspect that any of these exclusions applied to the driver. However, we will not provide liability cover for the driver and may try to recover money from them.

Cause of loss, damage or liability

We will not cover any loss, damage or liability caused directly or indirectly by:

- » Failures, defects or breakdowns which are mechanical, structural, electronic or electrical or which are connected with computers or computer related technology including computer chip or control logic.
- » Sparks, ashes or carbon from your caravan/trailer.
- » Any person or organisation lawfully taking, keeping or destroying your caravan/trailer.
- » Terrorism, war (whether declared or not), invasion, rebellion, revolution or a similar event.
- » Anything nuclear or radioactive.
- » Depreciation, wear, tear, rust or corrosion.
- » Asbestos.
- » Failure to take all reasonable care to protect your caravan/trailer and keys.
- » Your car, your caravan or your trailer being left unattended with the keys in or on it.
- » Exposure to infectious disease.
- » Bodily injury, death, property damage or loss caused by infectious disease.
- » Any legal or other requirement to clean-up, detoxify, remove, monitor or test for an infectious disease.

Use of your caravan/trailer

We will not cover any loss, damage or liability which occurs during, or is caused by, the use of your caravan/trailer:

- » On a permanent or temporary racetrack, raceway, course, circuit or arena (unless you are participating in a safe driving course commercially conducted by trained instructors).
- » For racing, trials, speed or hill climbing tests, pace making, contests, rallies or for endurance or skills tests whether or not you are competing in an event.
- » In an experiment or demonstration.
- » While it is overloaded, not roadworthy, not registered or not meeting relevant government transport regulations.
- » In a manner which involves deliberate exposure to exceptional danger or any wilful or reckless act.
- » In a manner contrary to its manufacturer's recommendations.

- » For unlawful purposes.
- » Being hired out.
- » To deliver goods for a fee as a contractor or otherwise (e.g. food delivery, parcel couriers) unless we have specifically agreed to provide this cover and it is printed on your schedule.
- » To carry passengers for a fee.
- » For purposes other than recreational or holiday purposes, permanent accommodation or living quarters.

Timing

We will not cover loss, damage or liability caused by flood, storm or bushfire within the first 48 hours after the commencement of your policy, or to the extent that you have increased your existing insurance cover, unless either:

- » You purchased your caravan/trailer on the same day your policy started.
- » Your policy commenced immediately after another policy covering the same caravan or trailer ended and there was no break in cover.

We also do not cover

- » Consequential loss.
- » Deliberate damage caused directly or indirectly by anyone using your caravan/trailer with your permission.
- » Any diminished value of your caravan/trailer after it has been damaged and repaired and the repairs have been carried out correctly (including as a result of loss or damage to vehicle identifiers, such as the original compliance, build or VIN information).
- » The cost of any air freight charges, or the fabrication of any parts or any cost for parts which exceed the manufacturer's last issued catalogue or price list.
- » Additional costs incurred through parts being unavailable, obsolete or delays in obtaining parts.
- » Any extra costs associated with paint work that does not meet the manufacturer's standard paint specification.
- » Goods, tools of trade or samples connected with your work or any other trade, or any container for these items.
- » Any loss or damage to the extent that it is covered by other insurance that is compulsory or was not purchased in your name.

Claiming on your policy

You must co-operate with us

When you claim on your policy, you must give us any information and co-operation we reasonably require in dealing with your claim.

You must promptly provide us with full details of the incident which led to your claim. The details we may require include:

- » Contact details of anyone involved, including witnesses.
- » Registration numbers of any vehicles involved.
- » Proof of ownership for any damaged or stolen property, such as receipts, owner manuals and warranties.
- » Copies of any letters, notices, court or other legal documents received relating to the incident or a claim.
- » Receipts for expenses you have incurred that are covered under your policy.

In addition, you must:

- » Not admit liability for, or negotiate to settle, any claim without our written permission.
- » Immediately, report any theft, attempted theft or malicious damage to the police.
- » Immediately take all reasonable steps to prevent loss or damage from occurring or continuing to occur, once becoming aware of actual or potential loss or damage.
- » Provide truthful and complete information to us.
- » Provide written statements if we require them.
- » Attend court and give evidence if we require it.
- » Make your caravan/trailer available to us.
- » Assist us, even after we have settled your claim, in any proceedings we take to recover any money we have paid under your policy.

We are entitled to represent you or any other person covered under your policy:

- » In the negotiation, defence, settlement or any legal proceedings relating to a claim on your policy.
- » In any proceedings to recover any money we have paid under your policy.

If you do not assist us as required we may:

- » Reject your claim.
- » Pay a reduced amount for your claim.
- » Require you to repay any money paid for your claim.

You need to send to us immediately any documents received which suggest there is or may be a claim under this policy. These may be emails, letters, notices or court documents that refer to bringing action against you or seeking compensation for injury or damage.

Excesses

When you make a claim you may be asked to pay an excess prior to the claim being finalised. The specific excesses that apply to your policy and amounts payable are shown on your schedule. More than one excess may apply to your claim.

You may not have to contribute an excess towards your claim provided:

- » You can satisfy us that the incident was solely the fault of the other person (not the person in charge of your caravan/trailer at the time of the incident).
- » You provide us with the 'at fault' person's name, vehicle registration number and contact details.

We will make a determination of fault after we are in possession of all the relevant facts and our determination is final and binding upon you.

If you would like to know more please refer to our PED Guide.

What we do when your caravan/trailer has been damaged

When you claim for loss or damage to your caravan/trailer in an incident covered under your policy and we accept your claim, we may:

- » Repair or replace what is damaged to a condition as near as possible to its condition immediately before the incident, using materials or components which are current and available at the time of repair; or
- » Make a payment to settle your claim, based on the cost of repair or replacement.
This amount will be based on our technical assessment of any quotes provided to undertake the repairs.

We will not pay more than the agreed value of your caravan/trailer less any excess or premium deductions that may apply.

When we repair your caravan/trailer

If we decide to repair your caravan/trailer we obtain

competitive quotes from our chosen repairers. You can also ask a repairer of your choice to provide a quote.

Whichever repairer we choose, we guarantee the quality of the workmanship and materials authorised by us for the life of your caravan/trailer, in addition to any other rights you may have. If you wish to make a claim on this guarantee, please contact us with details, including any costs you incur in making the claim.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Your contribution

Your cover is to return your caravan/trailer to as near as possible to its condition immediately before the incident, so if the repairs to your caravan/trailer leave it in a better condition than before the damage occurred, you will be required to pay a contribution to the repair cost if you want to proceed.

We pay for storage

If we have decided to repair your caravan/trailer and we require it to be held in storage until the repair can commence, we will pay the storage cost.

The parts we use

The parts we use in the repair of your caravan/trailer are covered under our repair guarantee.

To restore your caravan/trailer to its condition immediately before the incident, we will use parts consistent with your caravan/trailer's age, condition and warranty period and:

- » If your caravan/trailer is within the manufacturer's new vehicle warranty period we will use new Original Equipment Manufacture (OEM) or reasonably equivalent available parts.
- » If your caravan/trailer is outside the new vehicle warranty period we will use new or recycled OEM or reasonably equivalent available parts.

If replacement parts are not available, we will pay you what it would have cost us to repair your caravan/trailer had the parts been available.

When we declare your caravan or your trailer a total loss

We will declare your caravan or your trailer a total loss when either:

- » We decide that the damage to your caravan or your trailer is such that it would not be safe or economical to repair.
- » It was stolen and not recovered.

If your caravan or your trailer is a total loss, we will either:

- » Pay you the agreed value of your caravan or your trailer.
- » Replace your caravan or your trailer, if you are entitled to this under our new caravan or trailer replacement cover (see page 9).

When we settle a total loss claim:

- » We will deduct, or you must pay us:
 - > Any excess that may apply.
 - > Any unpaid premium (including any remaining instalment payments based on the full annual premium of your policy).
 - > The value of the unused portion of your caravan or your trailer's registration.
- » Anyone who has a financial interest in your caravan or your trailer (of which we are aware) will be paid first and you will be paid the balance.
- » Your caravan or your trailer becomes our property, your policy comes to an end and there is no refund of any portion of your premium.

Partial loss claims

Where we have paid you the agreed value for either your annexe or caravan contents, then:

- » That item becomes our property and is no longer covered by your policy.
- » The total agreed value of your policy is reduced by the agreed value for that item.

About your caravan/trailer's agreed value

We determine your caravan/trailer's agreed value at the commencement of your cover and may review it at the beginning of each subsequent period of insurance. The agreed value is shown on your schedule and while it may change at renewal, it does not change during the period of insurance.

Except where a different limit is shown in your policy for the item of cover, the most we will pay is the agreed value shown in your schedule less any applicable excesses.

Some items of cover have their own limits. Where that limit is less than the agreed value, the item limit is the most that we will pay for that item.

Other important information

About your premium

There are a number of factors we take into account in determining your premium including but not limited to:

- » The make and model of your caravan or your trailer.
- » Who will be towing your caravan or your trailer and their driving and insurance history.
- » Where your caravan or your trailer is stored.
- » Costs associated with operating our business.
- » Government charges.
- » Discounts that may apply to you.

Your premium is shown on your schedule.

If you would like to know more about how your premium is calculated, please refer to our PED Guide.

Paying your premium

You can pay your premium either in one annual payment or by instalments.

When you pay in one annual payment your total premium will be less than if you pay it in instalments. The additional amount for payment by instalments contributes towards the increased cost of administering the instalment payment service.

You can pay your premium in annual payments, two six monthly payments, or 12 monthly payments, using your credit card or by direct debit through your financial institution.

When you pay by instalments you must ensure that:

- » The financial details you provide to us are correct.
- » Sufficient funds are available in your account for each instalment payment.
- » You advise us of any change to your financial details at least two business days before your next instalment payment is due.

You may contact your financial institution if you have an issue regarding your account or a direct debit.

We will provide you with at least 14 days' notice if we change any of your instalment payment arrangements.

If paying by direct debit, we may automatically renew your policy on the renewal date. If we plan to automatically renew, we will let you know we intend to do this before your cover ends and send you details of the renewal premium. If you do not want to renew your policy, you should let us know before the renewal date.

If you do not pay the full amount of your premium or any additional amount we may charge, we may reduce the period of insurance to match the amount you have paid.

Instalment payments

When you choose to pay by instalments, we will send you a notice advising of the first and future payment dates.

The first and future direct debit payments will be made on the due date unless that date is not a business day, when the payment will be made on the business day closest to the due date.

Please contact us immediately if you believe that an unscheduled payment has been made.

Where an instalment payment is overdue by:

- » More than 14 days and you make a claim on your policy, we may refuse to pay your claim.
- » More than one month, we may cancel your policy without notice and refuse to pay your claim.

If any of your instalment payments are rejected by your financial institution due to insufficient funds in your account or errors in your financial details, any fees that result from rejections will be payable by you.

Cancellation of instalment payments

If you decide to cancel your instalment payment arrangement, you need to:

- » Give us at least two business days' notice.
- » Arrange with us to pay the remaining premium due.

If you have made a claim, or one has been made against you in the current period of insurance, then you may be required to pay any outstanding premium due on your policy.

Credit card charges

We may charge a merchant fee when you pay your premium or your excess by credit card.

Goods and Services Tax (GST) and Input Tax Credit Entitlement (ITCE)

Your policy, the amounts insured and the premium that you pay are subject to GST.

You may be able to claim an ITCE for the GST that you pay on the premium for your policy. Please advise us of your ITCE when or before you make a claim on your policy. If you are eligible to claim an ITCE, we will deduct this amount from any payment we make to you.

We recommend that you seek advice from a financial advisor if you are unsure about the tax implications of your policy.

Cooling off period

If you cancel your new or renewed policy:

- » Before it starts, we will return any premium paid in full.
- » Within 28 days of it starting, we will return any premium paid provided you do not make a claim during this time.

Cancellation by you at any time

You can cancel your policy at any time. To do so, please notify us and we will refund your premium less:

- » Any non-refundable government charges.
- » Our administration fee.
- » Our premium for the period of insurance provided.

Any refund will be limited to the premium paid in the current period of insurance.

If you have claimed on your policy during the period of insurance, a refund of premium may not apply. A refund will not apply when we have paid a total loss claim.

If you would like to know more please refer to our PED Guide.

Cancellation by us

If we cancel your policy, we will advise you in writing and refund you any remaining portion of your premium less:

- » Any non-refundable government charges.
- » Our premium for the period of insurance provided.

If you have claimed on your policy during the period of insurance, a refund of premium may not apply. A refund will not apply when we have declared your caravan or your trailer a total loss and paid your claim.

If you would like to know more please refer to our PED Guide.

Other fees and charges

If your policy is changed or cancelled and the premium refund or premium payable is less than \$10, no refund or request for payment will be made.
