Important Changes

1. The PDS is amended to replace the section **"When we agree to insure you"** on page 6 of the PDS with the following:

"Your duty to take reasonable care not to make a misrepresentation"

Before we agree to insure you (including when we issue you with the insurance for the first time or agree to renew, extend, vary, reinstate or replace it), you have a duty to take reasonable care not to make a misrepresentation to us.

When answering any questions we ask, you need to answer them honestly and accurately and to the best of your knowledge. If you do not take reasonable care not to make a misrepresentation, or if you are careless in your answers or recklessly or deliberately make a misrepresentation, your policy may be cancelled, or treated as if it never existed and/or your claim may be rejected or not paid in full. Whether or not you have taken reasonable care not to make a misrepresentation is to be determined with regard to all relevant circumstances.

Remember you are answering the questions for you and anyone else who will be insured under the policy. If you answer or make a representation for another person who is insured, we will treat your answers or representation as theirs.

This duty applies until we insure you.

If you have any questions or guidance is not clear, please go to rac.com.au or call us on **13 17 03** for further information.

This insurance is a consumer insurance contract."
