Benefits

We are Australia's leading worldwide motorhome rental specialists.
We'll help you select the best motorhome, at the best price from the best suppliers.

Which option is best for your self-drive adventure? Car or motorhome?
There are pros and cons to both, so we have done the research to help make your decision a little easier.

| | Motorhome | Car |
|-----------------------|---|---|
| Food & Cooking | A well-equipped motorhome gives you the option to cook meals on the run and shop for yourself. This can be a great way to save money and, of course, you will also have the option to treat yourself to a meal out. | A rental car gives you the freedom to experience and enjoy the local cuisine from fine dining to street markets all without the fuss of having to clean up after yourself. |
| Creature Comforts | Unpack your bags once and get on the road. Everything is always within easy reach for your journey. Fancy a cuppa? Just pull over and help yourself. | Staying in accommodation along the way means showers, daily housekeeping and fresh linen whenever you need it. |
| Meeting People | Holiday parks have a great communal feel – almost like a big travelling family. Imagine the like-minded people you will meet on your travels. | Hotels offer the chance to meet other travellers in communal areas but you'll have the option to retreat to the quiet and privacy of your room. |
| Travelling with Kids | On a motorhome adventure the world is your playground, and the possibilities are endless. The kids will love the freedom to explore and the novelty of a truly unique experience. | Hotels and motels often have pools and child-friendly areas/kids clubs and playgrounds. |
| Freedom & Flexibility | Imagine being able to spend a few extra days in a spot you've fallen in love with. You can have a more flexible itinerary with a motorhome. Flexibility = Freedom. | If you have a plan or a shorter time frame to travel then a car/hotel itinerary can give you the peace of mind that you will be able to tick everything off your travel to-do list. |

DriveAway Tips

A motorhome journey is made to enjoy. Don't rush, soak up the freedom, and leave yourself plenty of time to explore. There's a very good reason most hires are a minimum of 5+days!

Did you know that anyone over 21 years can hire a motorhome with no young driver surcharge? Nobody wants to backtrack on a road trip. One-ways are a great option – just check the fees when you book.

Enjoy the journey with Australia's leading motorhome self-drive specialists.

There's more to a UK and Ireland road trip than meets the eye. Explore the cities, the coastal towns and the villages of Ireland, England, Scotland, Wales and Northern Ireland by road. You'll find warm and welcoming locals, scenic landscapes, rolling green fields patchworked by hedgerows, historic villages, stunning coastlines, bustling and vibrant cities and, of course, one or two traditional pubs that the UK and Ireland are famous for.

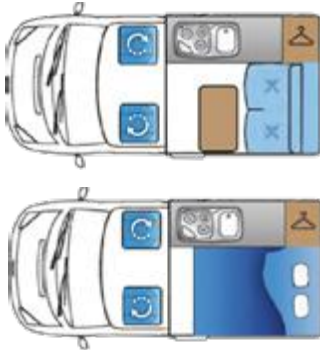

A network of modern highways, coupled with picture perfect, quintessentially British country roads that connect the major cities, makes the UK and Ireland the perfect road trip destination. We've made it easier than ever to experience the UK & Ireland by road with the added flexibility of being able to drive into Ireland, through to France, and onwards into the rest of continental Europe.

I have used DriveAway several times and once again this has been a positive experience. The booking was quick and painless and at the point of collection, everything was in order with the hire company. The cost of hire was competitive and there were no issues with the vehicle. **Bruce, Perth**
